**CARUSO HOMES GIVES LOCAL ELEMENTARY SCHOOL A NEW TEACHER'S LOUNGE**

(Crofton, Maryland) – Monday, November 19, 2007 – In a statement issued today, Caruso Homes announced that the company recently completed construction on a new teacher's lounge at Crofton Meadows Elementary School in Crofton, Maryland. Because of its avid support of the Rotary Club, Caruso Homes graciously contributed to the restoration of the lounge by installing new appliances including a range and microwave; a spacious countertop; and beautiful cabinets.

Several companies donated products and services to help Caruso Homes renovate the teacher's lounge. Donations included eight cabinets from Timberlake Cabinetry; a laminate countertop with a single bowl sink from Halmark; a microwave from General Electric (GE); and a faucet from Moen. Additionally, Tri-State Communication and All Around Plumbing provided electrical and plumbing services.

"We are delighted that Caruso Homes along with its vendors and suppliers were able to renovate the lounge for the elementary school," stated David Herzog, President of Caruso Homes. "The new lounge is an important space for teachers to meet and discuss strategies to consistently provide students with an exemplary education."

Since 1985, homebuyers have counted on Caruso Homes to provide extraordinary design and uncompromising quality of construction. Maintaining the philosophy that the homebuyer deserves exactly the home they are looking for at a price that fits within their budget, Caruso Homes has become a recognized leader within the homebuilding industry. Award-winning Caruso homes are found in communities throughout Maryland and Virginia.
