The Vista is part of our First Floor Owners Suite series. The layout features one-level living with an open floorplan, a large owner suite, a guest room, and a den. Add a loft and second floor for additional space and storage, and/or a fully finished basement. Plenty of options, such as extensions, a media room, additional bedrooms, and a covered porch, are available to personalize this home.

Some photos have been virtually staged to better showcase the true potential of the rooms and spaces in the home.
