The Amherst offers a space-saving floor plan that works well for narrow homesites, yet still has everything you could need in a single family home. The main level includes a welcoming two-story foyer, a great room with optional fireplace that is open to a kitchen and breakfast area with walk-in pantry, a powder room, a mud room from the 2-car garage and an "Owner's Choice" room that could be used as a formal living or dining room, a home office, or anything your heart desires. Upstairs features a large owner's suite with ensuite bath and a huge walk-in closet, 3 additional bedrooms, a hall bath and a convenient laundry room. Gain even more living area by finishing the basement with a large rec room and full bath. With hundreds of choices for options and upgrades, you can design this home to match your unique style.
