The Kelloway II builds upon the timeless design of the original Kelloway, offering refined details and expanded living spaces. The layout features a large living space with an open flow between the family room, dining room, and kitchen, perfect for entertaining. The main level also features a large primary suite, a guest room with a full bath, and a den. Add a sky basement for additional space and storage. There are numerous options available to personalize this home, such as adding a sky basement for additional space and storage, as well as a screened porch or sunroom for enhanced outdoor enjoyment.
