The Colorado is a single family home starting at 3,599 square feet, with options to expand up to 5,623 square feet of living space. The home comes standard with a 2-car garage and several craftsman and traditional style elevations to choose from. The main level offers an open floorplan with a large family room that is open to an eat-in kitchen with a walk-in pantry and large central island, perfect for entertaining. Several flexible options allow buyers to design the space to fit their lifestyle with upgrades such as an office, an in-law suite and a screened porch. The second level offers 4 bedrooms, two full baths and a spacious loft area for additional living space. The basement can be finished to include a rec room, a media room, another bedroom and full bath. Select from hundreds of upgrades and finishes to make the Colorado your dream home. Total base square footage includes recreation room incentive.
