Pamlico is our two-garage townhome, available at Midtown Rows! This plan contains 3 stories and up to 2,791 square feet of living space. The lower level contains the garage and unfinished storage area with which can be changed to an alternative room. Choose from a recreation room including a powder room, or an additional finished bedroom with a full bath. On the first level, our open, flowing floor plan connects the great room, the kitchen, and the dining room. In the kitchen, you can expect to find stainless steel Whirlpool appliances, a large center island, and optional kitchen backsplash. The great room, which can be upgraded with a fireplace or coffered ceiling, gives way to the large outdoor deck. Upgrade your space even further with the addition of a sunroom. Upstairs, the Owner's Suite comes equipped with a spacious walk-in closet and owner's bath, which include a shower, a double sink, and a linen closet. Looking for more room? Opt in to extend the suite, increasing the room of the walk-in-closet, or replace the traditional bath with a luxurious spa bath. The spa bath includes a walk-in shower, a double sink, free standing tub, or two separate vanities- plenty ...
