

Our brand-new Jordan plan! This floorplan offers plenty of room and options to suit your needs. Enter through the front porch and into the foyer and home office. Walk further in where you are greeted by a dining room, the sizeable great room, open to the kitchen. There is an option to add an in-law suite to keep family close. Opt for a morning room or screened porch facing the backyard.

Upstairs comes standard 4 bedrooms and loft. The owner's suite features a luxurious bath, shower, and double vanity. A walk-in closet provides plenty of extra storage space. Opt for a third floor or basement (if the lot allows). Plenty of options are available to make this floorplan your own!
