Available to build on COTTAGE HOMESITES

The Kellaway is a cottage-style home designed for Active Adults who desire one-level living with an open floor plan. The layout features a large living space with an open flow between the family room, dining room, and kitchen, perfect for entertaining. The main level also features a large primary suite, a guest room with a full bath, and a den. Add a sky basement for additional space and storage. There are numerous options available to personalize this home, such as adding a sky basement for additional space and storage, as well as a screened porch or sunroom for enhanced outdoor enjoyment.
